1. Rules of Selection

Finno-Ugric Capital of Culture 2027 will be selected by the Jury based on two rounds of selection. In both rounds, no formal selection criteria are applied; jury members are encouraged to use their own personal judgement about the quality of applications. However, members of the Jury are asked to take into account the general selection criteria listed under Article 4.3. of the Statutes. The two rounds will be conducted as follows:

1. In **Round 1**, jury members independently rank all applications from 1 to N (N=number of eligible applications) where „1“ refers to the most competitive and „N“ to the least competitive application. Based on that, Programme Bureau calculates arithmetic averages of the rankings of all applications. Three applications with the highest average ranks are selected for Round 2. However, Selection Jury can decide to extend the number of applications selected to Round 2 to more than three.
2. In **Round 2**, selected applicants (up to three) will be invited to prepare presentations to be delivered in person at a special online event on June 12, 2026. Thereafter, jury will privately convene and select the winner. Results of the competition will be publicly announced on June 20, 2026.
